Ordering information

When you order spare parts, the following must always be specified:

- The product model (for example, power wheelchair C300).
- The description of the part. Always use the description used in this catalog.
- The entire part number.
- The quantity.

NB! In some cases, parts appear in the spare part catalog without a part number. This means that the part cannot be ordered from Permobil. We have, however, chosen to describe it for your information. Standard components such as screws, nuts, washers and similar parts can be purchased in an ordinary shop using the information in this catalog.

Parts

A part consists of one or more parts. If a part consists of several parts, a bracket in connection with the part's item bubble is used to show the parts included in the part in the exploded views. See examples 1, 2 and 3.

Example 1:

Position 10 refers to a single part, a screw.

Example 2:

Position 2 is a spare part consisting of the positions from 4 to 11.

Example 3:

Position 4 is an article that also includes position 5. In these cases the article or articles which referred to in the bracket, are pre-assembled on the main article (position 4).

Orderinformation

Vid beställning av reservdelar, ska följande alltid anges:

- Produkt namn/modell (till exempel, elrullstol C300).
- Benämning på delen, använd alltid benämningen som står i den här reservdelskatalogen.
- Fullständigt artikelnummer.
- Antal.

OBS! Vissa positioner i katalogen är utan artikelnummer. Det betyder att den delen inte går att beställa separat från Permobil, men vi har ändå valt att beskriva delen som information till er. Standard komponenter så som skruvar, muttrar, brickor och liknande standard komponenter kan köpas från andra leverantörer med hjälp av informationen i den här katalogen.

Reservdelar

En reservdel kan bestå av en eller flera delar. Om en reservdel består av flera delar, är positionens innehåll markerat i en klammer i anslutning till positionsbubblan. Se exemplen 1, 2 och 3 nedan.

Exempel 1:

Position 10 avser en separat detalj, en skruv.

Exempel 2:

Position 2 är en reservdelssats, bestående av positionerna 4 till 11.

Exempel 3:

I position 4 ingår även position 5. I de här fallen är delen eller delarna som står i klammet förmonterade på huvudartikeln (position 4).

[illegible]

This image shows a full page of a worksheet designed for handwriting practice. It features a series of evenly spaced, horizontal dashed lines across the entire width of the page. The background is plain white, providing a clear guide for letter height and placement. There are no margins, text, or other markings present.
